Places Off-Limits Even With a Permit/License

R.S. 40:1379.3 (N) No concealed handgun may be carried into and no concealed handgun permit issued pursuant to this Section shall authorize or entitle a permittee to carry a concealed handgun in any of the following:

- A law enforcement office, station, or building;
- A detention facility, prison, or jail;
- A courthouse or courtroom, provided that a judge may carry such a weapon in his own courtroom;
- A polling place;
- A meeting place of the governing authority of a political subdivision;
- The state capitol building;
- Any portion of an airport facility where the carrying of firearms is prohibited under federal law, except that no person shall be prohibited from carrying any legal firearm into the terminal, if the firearm is encased for shipment, for the purpose of checking such firearm as lawful baggage;
- Any church, synagogue, mosque or similar place of worship; See [RS 40:1379.3 \(U\)](#)
- A parade or demonstration for which a permit is issued by a governmental entity; (means be in the parade or part of the demonstration)
- Any portion of the permitted area of an establishment that has been granted a Class A-General retail permit, as defined in Part II of Chapter 1 or Part II of Chapter 2 of Title 26 of the Louisiana Revised Statutes of 1950, to sell alcoholic beverages for consumption on the premises. **Note:** This means a Bar. Restaurants are OK but you can't carry in the bar area of a restaurant.
- Any school "firearm free zone" as defined in R.S. 14:95.6.

The provisions of R.S. 40:1379.3 (N) shall not limit the right of a property owner, lessee, or other lawful custodian to prohibit or restrict access of those persons possessing a concealed handgun pursuant to a permit issued under this Section. No individual to whom a concealed handgun permit is issued may carry such concealed handgun into the private residence of another without first receiving the consent of that person.

Note: 14:95.2 simply states that section cannot regulate what the state deems a constitutionally protected activity. Most are of the opinion that this does not conflict with 18 USC 922(q), and that the federal government acknowledges how a state views certain rights toward property holders. As such, having a firearm entirely within a motor vehicle while on school property does not violate the law. Also See Parking Lot Storage Law Section concerning firearms in vehicles in these restricted locations.

Church, Synagogue and Mosque Carry allows Church carry under the following rules.

- Churches, Synagogues and Mosques choosing to allow concealed carry will have to inform their congregations of the decision.
- Anyone wishing to carry a concealed weapon in a church will have to take an extra eight hours of tactical training each year.
- The new law does not apply to churches on school property.

Signs or other markings shall be located in a visible manner on or near each school and on and in each school bus indicating that such area is a firearm-free zone and that such zone extends to one thousand feet from the boundary of school property.

Note: C. Sec (4) means a permit/license holder can carry up to the school property line without breaking the law.

Note: From the Louisiana Department of Public Safety and Corrections Office of State Police, Concealed Handgun Permit Unit web booklet on [Louisiana Concealed Handgun Permit Laws And Administrative Rules](#). Page 35 it states that on a college campus firearms can not be carried but **LRS 14:95.2 C**. The provisions of this Section shall not apply to:

(8) A student who possesses a firearm in his dormitory room or while going to or from his vehicle or any other person with permission of the administration.

concealed but in some type of case. I would also check the College student regulations as they may forbid it and expel you if you bring a legal firearm onto campus.

RV/Car Carry Without a Permit/License

The below question and answer is from the Louisiana Concealed Handgun Permit Unit [FAQ page](#).

CAN I CARRY MY HANDGUN IN MY VEHICLE?

A. Under most circumstances, carrying a handgun in a motor vehicle is legal in Louisiana. We suggest that you refer to Louisiana Revised Statutes (L.R.S.) Title 14 Sections 95; 95.1; 95.2; 95.6; 95.7; 95.8. Information on these statutes can be obtained at <http://www.legis.state.la.us> or in the “Laws and Rules” section of our web page (<http://www.lsp.org/handguns.html>).

Note: The Law talks about carry in a motor vehicle is a constitutionally protected activity. If it is on a restricted place then it must be state wide. LA does have state wide preemption so cities, towns etc can't make laws against carry in a vehicle.

Open Carry (Without a Valid Permit/License)

Open Carry is legal in Louisiana. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can't have Laws/Ordinances against open carry. State preemption did allow for laws/ordinances in effect before 7/15/85 to be grandfathered. There can be places that have laws/ordinances against Open Carry. It is your responsibility to know the law.

40 §1796. Preemption of State Law

A. No governing authority of a political subdivision shall **enact after July 15, 1985**, any ordinance or regulation more restrictive than state law concerning in any way the sale, purchase, possession, ownership, transfer, transportation, license, or registration of firearms, ammunition, or components of firearms or ammunition.....

Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is lower in Louisiana but 18 is the minimum age by federal law that a person can possess a firearm.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the [State's RKBA](#) Organization/s. Also see "Attorney General Opinions/Court Cases" Section for any written opinions/Cases on Open Carry.

State Preemption

RS 40:1796 Part II-A. Miscellaneous Provisions

§1796. Preemption of State Law

A. No governing authority of a political subdivision shall enact after July 15, 1985, any ordinance or regulation more restrictive than state law concerning in any way the sale, purchase, possession, ownership, transfer, transportation, license, or registration of firearms, ammunition, or components of firearms or ammunition; however, this Section shall not apply to the levy and collection of sales and use taxes, license fees and taxes and permit fees, nor shall it affect the authority of political subdivisions to prohibit the possession of a weapon or firearm in certain commercial establishments and public buildings.

B. Nothing in this Section shall prohibit a local governing authority in a high-risk area from developing a plan with federally licensed firearms manufacturers, dealers, or importers to secure the inventory of firearms and ammunition of those licensees in order to prevent looting of the licensee's premises during a declared state of emergency or disaster. Such plan shall be renewed on a periodic basis. The information contained in the plan shall be deemed security procedures as defined in R.S. 44:3.1 and shall be released only to the sheriffs of the parishes or police chiefs of municipalities in which the declared state of emergency or disaster exists.

C. For The Purposes of This Section:

(1) "Declared emergency or disaster" means an emergency or disaster declared by the governor or parish president pursuant to the provisions of the Louisiana Homeland Security and Emergency Assistance and Disaster Act.

(2) "High-risk area" means the parishes of Assumption, Calcasieu, Cameron, Iberia, Jefferson, Lafourche, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, and Vermilion. Added by Acts 1985, No. 741, §1, eff. July 17, 1985; Acts 2006, No. 254, §1.

RS 14:95

(F) (3) Any ordinance that prohibits the unlawful carrying of firearms enacted by a municipality, town, or similar political subdivision or governing authority of this state shall be subject to the provisions of R.S. 40:1796.

Carry in Restaurants That Serve Alcohol

“YES” 14:95.5(C)

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

Louisiana law does not define Loaded. Their firearm laws us the word Loaded or Unloaded but doesn't give a definition.

State Emergency Powers

[RS 29 §724.](#) Powers of the Governor (Edited for Space Considerations)

A. The governor is responsible for meeting the dangers to the state and people presented by emergencies or disasters, and in order to effectuate the provisions of this Chapter, the governor may issue executive orders, proclamations, and regulations and amend or rescind them. Executive orders, proclamations, and regulations so issued shall have the force and effect of law.

B.(1) A disaster or emergency, or both, shall be declared by executive order or proclamation of the governor if he finds that a disaster or emergency has occurred or the threat thereof is imminent. The state of disaster or emergency shall continue until the governor finds that the threat of danger has passed or the disaster or emergency has been dealt with to the extent that the emergency conditions no longer exist and terminates the state of disaster or emergency by executive order or proclamation, but no state of disaster or emergency may continue for longer than thirty days unless renewed by the governor.

(4) As soon as conditions allow, the governor may proclaim a reduction of the designated emergency area, or the termination of the state of emergency.

D. In addition to any other powers conferred upon the governor by law, he may do any or all of the following:

(1) Suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business, or the orders, rules, or regulations of any state agency, if strict compliance with the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency.

(2) Utilize all available resources of the state government and of each political subdivision of the state as reasonably necessary to cope with the disaster or emergency.

- (3) Transfer the direction, personnel, or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency services.
- (4) Subject to any applicable requirements for compensation, commandeer or utilize any private property if he finds this necessary to cope with the disaster or emergency.
- (5) Prescribe routes, modes of transportation, and destination in connection with evacuation.
- (6) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, and combustibles.

G. Notwithstanding the provisions of this Section, except in an imminent life threatening situation nothing herein shall restrict any uniformed employee of a licensed private security company, acting within the scope of employment, from entering and remaining in an area where an emergency has been declared. The provisions of this Subsection shall apply if the licensed private security company submits a list of employees and their assignment to be allowed into the area, to the Louisiana State Board of Private Security Examiners, which shall forward the list to the chief law enforcement office of the parish and, if different, the agency in charge of the scene.

Minimum Age for Possessing and Transporting of Handguns.

Louisiana 17 Y/O RS 14:95.8

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
