Note: Beginning 1/1/17 Residents of Missouri can carry a concealed defensive firearm in the state of Oklahoma without any type of permit/license. Permitless Carry

Title XXXVIII 571.030. 1. A person commits the offense of unlawful use of weapons, except as otherwise provided by sections 571.101 to 571.121, if he or she knowingly:

(1) Carries concealed upon or about his or her person a knife, a firearm, a blackjack or any other weapon readily capable of lethal use into any area where firearms are restricted under section 571.107.

Note: Missouri law does not plainly state you don’t need a permit to carry. They changed the definition of “Unlawful use of a weapon” to only apply when a person carries a weapon into a place that is off limits per Missouri law. To stay within the law you have to be at least nineteen years of age a citizen of the United States or permanent resident. Carry without a permit is allowed but going into a place that is specifically mentioned in the code as off limits to those with a valid permit is unlawful use of a weapon. The one exception carrying under permitless carry is on private property. See 571.107 Subsection 2. You must be asked to leave that “Private Property” and only after not leaving immediately be in violation of the law. It is the responsibility of the person carrying to know the places they can’t carry their firearm. Handgunlaw.us recommends you read all of 571.030 before carrying.

How to Apply for a Permit

Apply to the Sheriff of the county you reside in. Missouri has just lowered the age to apply as 19, 18 for members of the US Armed Forces. You must take a training class. Sheriffs will give you a list of certified trainers in your area. The cost of a Permit/License can’t exceed $100.00 and is valid for 5 years. Some Sheriff’s have online applications. Check your local Sheriff’s website.

The Applicant Must Bring the Following When Applying

1. Proof of training from a qualified instructor. (Must have been done before filling out the application)
2. Valid Missouri state-issued Drivers License or State Identification or Military identification and Orders stationing the service member in Missouri. (Missouri will issue to military personnel 18 and older.)
3. Cost for 5 year Permit can’t exceed $100.00 and only actual fees for Credit/Debit or other electronic transfers of money can be added to the costs.
   - Some sheriff’s require money orders
   - The fee is not refundable under any circumstances

Some sheriffs may demand further proof of residency. Voter's registration, personal property tax receipt, or utility bills may be used. The law does not state you need this but the Sheriff might. The license holder must notify the sheriff if he moves. If he moves to a different county, he must notify the sheriff of both the old and the new county.

Life Time and Extended Permits

Missouri lifetime or extended concealed permits valid for 10 years/25 years/Life can be obtained.

www.handgunlaw.us
Costs vary depending on the time period. The permit becomes invalid if you move from Missouri and can be reinstated if you become a resident of Missouri again. The Lifetime/Extended permits are only valid in Missouri and do not allow for the carry under Missouri reciprocity with other states. The permit will have a clear statement on the permit indicating that the “Permit is only valid within the state of Missouri.” Check with your Sheriff for more information.

Non-Resident Permits

Missouri will issue to Active Duty Military Personnel or Veterans who are 18 Years Old stationed in Missouri. Spouses 19 Years of Age or older can apply. Check with Sheriff on how to apply and what to do when you are transferred to another military base outside Missouri. Missouri will only issue permits to non residents who are in the military stationed in Missouri or their spouse present in the state.

(Also see 44.100. 1. The emergency powers of the governor shall be as follows)

Note: Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See US Code 42-5207 for Federal Law as it applies to States of Emergencies. Minimum Age for Possessing and Transporting of Handguns.

Missouri  18 Y/O  Title XXXVIII  571.060  &  Title XXXVIII  571.080

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
