Permits/Licenses This State Honors Listed Below

Oregon does not honor any other state Permit/Licenses.

How to Apply for a Permit

Sheriffs issue the Oregon Permits/Licenses to Carry. Marion County's application procedure is just like or very similar to most Oregon Sheriff's procedure. You can also complete your training online and print out a certificate that is accepted by all Oregon Sheriffs at the [Oregon State Sheriffs Association](#) website

To Obtain A Concealed Handgun License From The Marion County Sheriff's Office, You Must:

- Be able to demonstrate competence with a handgun by showing a **certificate** or **written statement** that you have been trained by:
 - A handgun safety course utilizing either police instructors or those certified by the NRA, including courses provided for security guards, reserve police officers, law enforcement officers, military service and organized shooting competition; or
 - A hunter education safety course approved by the State Department of Fish and Wildlife; or
 - You hold a previous Oregon license to carry a concealed handgun.
- Be a citizen of the United States of America. If you were not born a citizen of the United States, you must provide proof of citizenship, i.e., a U.S. Passport, Certification of Naturalization, or, if you were born on a military base, a Birth Certificate. If you are a legal resident alien, you must document continuous residency in Marion County for at least six months and declare in writing to the

Immigration and Naturalization Service your intention to become a citizen and provide such proof of the written declaration to the Sheriff at the time of application for a concealed handgun license;

- Have your principal residence in Marion County;
- Have your current address on your driver's license;
- Be at least 21 years of age;
- Have been discharged from the jurisdiction of a juvenile court for more than four years if you were under their jurisdiction for committing an act which, if committed by an adult, would have constituted a felony or a misdemeanor.

You Must Bring Your Fees to the Appointment:

You must bring your fees to the appointment:

\$65.00 (check, cash or money order) to the Marion County Sheriff's Office (All fees are Non-Refundable.)

Total Cost: \$65 (Marion Co. does not like cash as sometimes they can't make change.)

Note: Some counties are still requiring two checks. One to the County and one to the Oregon State Police. Check with your sheriff to see what their payment requirements are.

For New Applicants.

1. Legibly completed and signed fingerprint card.
2. Completed application (both pages).
3. Two pieces of identification with your signature (one must have a picture and signature, i.e., a driver's license).
4. Proof of HANDGUN training.
5. Correct fees (if cash, bring exact amount as we do not always have change. State Police will NOT accept cash.)
6. Stamped, self-addressed envelope in which to mail your License. Your License will be mailed after we receive notice from the Oregon State Police that they have processed your fingerprint card.

For Renewals.

1. Your Oregon Driver's License, showing your current Marion County address.
2. Your current/expired Concealed Handgun License.
3. \$50 in the form of cash, check or money order to renew your license for four years, or \$15 for an address or name change.
4. We will update your information and perform a background check. If you qualify for renewal, we usually will print and issue you a new Concealed Handgun License at the end of the appointment.

Note: Check with your Sheriff. They may require Appointments.

Non-Resident Permits

Oregon will issue permits to people who are residents of states that border Oregon. Those states are Washington, California, Idaho and Nevada. A non resident from the states listed should be able to go to any sheriff in Oregon and apply. I recommend contacting the Sheriff's Office before visiting to see if they will issue to Non Resident as some will not. Check out the Application to see what is need and the interactive map from the Oregon Firearms Federation is very useful to find sheriffs and their procedures on applying for a permit to carry.

People are telling me that Non Residents must supply two references when they apply. Again do check with the Sheriff before applying.

Do “No Gun Signs” Have the Force of Law?

“NO”

“No Firearm” signs in Oregon have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

“Handgunlaw.us highly recommends that you not enter a place that is posted “No Firearms” no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](#) and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of

the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

RV/Car Carry Without a Permit/License From the Oregon Firearms Federation:

Oregon has no State law against carrying a loaded handgun in your car as long as it's :

- (a) Not concealed or
- (b) “Not readily accessible.” (If Concealed)

“Not readily accessible" (for now) means:

(4)(a) Except as provided in paragraph (b) of this subsection, a handgun is readily accessible within the meaning of this section if the handgun is within the passenger compartment of the vehicle.

(b) If a vehicle has no storage location that is outside the passenger compartment of the vehicle, a handgun is not readily accessible within the meaning of this section if:

- (A) The handgun is stored in a closed and locked glove compartment, center console or other container; and
- (B) The key is not inserted into the lock, if the glove compartment, center console or other container unlocks with a key.

However, localities are allowed to regulate loaded firearms in “public places” which now includes your car. This only applies to people without CHL's.

So you need to check local regulations. In Portland, for example, you may not have a loaded gun anywhere in your car and you may not even have loaded magazines separate from the handgun. It must still, however, be either visible or “not readily accessible.”

State Law.

ORS 166.250 Unlawful Possession of Firearms.

(1) Except as otherwise provided in this section or ORS 166.260, 166.270, 166.274, 166.291, 166.292 or 166.410 to 166.470, a person commits the crime of unlawful possession of a firearm if the person knowingly:

- (c) Possesses a firearm and:
 - (A) Is under 18 years of age;
 - (B) (i) While a minor, was found to be within the jurisdiction of the juvenile court for having committed an act which, if committed by an adult, would constitute a felony or a misdemeanor involving violence, as defined in ORS 166.470; and
(ii) Was discharged from the jurisdiction of the juvenile court within four years prior to being charged under this section;
 - (C) Has been convicted of a felony or found guilty, except for insanity under ORS 161.295, of a felony;
 - (D) Was committed to the Department of Human Services under ORS 426.130; or
 - (E) Was found to be mentally ill and subject to an order under ORS 426.130 that the person be prohibited from purchasing or possessing a firearm as a result of that mental illness; or
 - (F) Has been found guilty except for insanity under ORS 161.295 of a felony.

(2) This section does not prohibit:

- (a) A minor, who is not otherwise prohibited under subsection (1)(c) of this section, from possessing a firearm:
 - (A) Other than a handgun, if the firearm was transferred to the minor by the minor's parent or guardian or by another person with the consent of the minor's parent or guardian; or
 - (B) Temporarily for hunting, target practice or any other lawful purpose; or
- (b) Any citizen of the United States over the age of 18 years who resides in or is temporarily sojourning within this state, and who is not within the excepted classes prescribed by ORS 166.270 and subsection (1) of this section, from owning, possessing or keeping within the person's place of residence or place of business any handgun, and no permit or license to purchase, own, possess or keep any such firearm at the person's place of residence or place of business is required of any such citizen. **As used in this subsection, "residence" includes a recreational vessel or recreational vehicle while used, for whatever period of time, as residential quarters.**

(3) Firearms carried openly in belt holsters are not concealed within the meaning of this section.

(4)(a) Except as provided in paragraphs (b) and (c) of this subsection, a handgun is readily accessible within the meaning of this section if the handgun is within the passenger compartment of the vehicle.

- (b) If a vehicle, other than a vehicle described in paragraph (c) of this subsection, has no storage location that is outside the passenger compartment of the vehicle, a handgun is not readily accessible within the meaning of this section if:
 - (A) The handgun is stored in a closed and locked glove compartment, center console or other container; and
 - (B) The key is not inserted into the lock, if the glove compartment, center console or other container

unlocks with a key.

(c) If a vehicle is a motorcycle, an all-terrain vehicle or a snowmobile, a handgun is not readily accessible within the meaning of this section if:

(A) The handgun is in a locked container within or affixed to the vehicle; or

(B) The handgun is equipped with a trigger lock or other locking mechanism that prevents the discharge of the firearm.

(5) Unlawful possession of a firearm is a Class A misdemeanor. [Amended by 1979 c.779 §4; 1985 c.543 §3; 1989 c.839 §13; 1993 c.732 §1; 1993 c.735 §12; 1999 c.1040 §1; 2001 c.666 §§33,45; 2003 c.614 §8; 2009 c.499 §1; 2009 c.595 §112; 2009 c.826 §8a; 2011 c.662 §1; 2013 c.360 §6]

Note: Law states as a residence. That could mean parked and not in motion. Once it is in motion they may consider it a vehicle and not a residence.

Open Carry (Without a Valid Permit/License)

Open Carry is legal but the state gave local governments the right to adopt laws/ordinances on carrying loaded firearms by those without a permit/license to carry. Some cities and towns have adopted such laws/ordinances and anyone who wants to open carry should check to make sure they can legally carry where they plan to open carry without a permit/license to carry. (See AG Opinions/Court Case Section for OR Supreme Court Ruling upholding city ordinances.) Places as listed in the “Places Off Limits” above apply to those who open carry. [ORS 166.370](#) exemptions for carrying in public buildings for those with valid permit/license to carry but not for those open carrying without a permit/license. So all public buildings are off limits to those open carrying without a permit/license. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can't have Laws/Ordinances against concealed carry but can adopt laws/ordinances on carrying loaded firearms by those who do not have a valid permit/license. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state.
