Carry in Restaurants That Serve Alcohol

**NO** Carry anywhere in Samoa is illegal. (LEO’s falling under the LEOSA most likely could carry)

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar www.handgunlaw.us
or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

Chemical Sprays/Stun Gun/Higher Capacity Magazine Laws

American Samoa Law does not have listed any restrictions on Defensive Sprays. The only mention in their statutes that I can find is below.

**46.4201** (f) "Gas gun" means any gas ejective device, weapon, cartridge, container or contrivance other than a gas bomb, that is designed or adapted for the purpose of ejecting any poison gas that will cause death or serious physical injury but not any device that ejects mace or other repellant or temporary incapacitating substance.

Notes

What Does Amer. Samoa Consider A Loaded Firearm?

Amer. Samoa law does not define Loaded. Their firearm laws use the word Loaded or Unloaded but doesn’t give a definition.

Note: With no definition on what the state considers a loaded firearm at the minimum I would have no cartridge in the firing chamber, cylinder, internal or attached magazine or attached to the firearm in any way.

State Emergency Powers

Handgunlaw.us can find no specific laws on the “Emergency Powers” of the Governor or other state officials. That does not mean there are no laws covering this topic but that they just couldn’t be found. During a state of emergency a Governor has very broad powers that are mainly restrained by law. If there are no laws limiting a Governor in what they can or cannot do they can do just about anything they deem appropriate in an Emergency and let things get sorted out after the emergency is past. Looking at New Orleans after Katrina shows you what they can or will do if there are no laws restraining State/Local Government(s).

Note: Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See US Code 42-5207 for Federal Law as it applies to States of Emergencies.
