You still have to have a Firearms ID Card to obtain the endorsement for either the May or Shall Issue permit. The Firearms ID Card does not have residency requirements in the statute so a person could apply for a FID Card and then the May Issue Carry endorsement without being a resident of Guam. Being May Issue you would have to prove need and they could refuse your request.

From a resident of Guam:

The pain and trouble to obtain a license and legally possess weapons on this island is ridiculous and only followed by those that care about being legally compliant. It is very difficult for the average citizen to stay compliant. Due to the lack of staffing and facilities it took me no less than ten hours and 4 separate trips to the police station, standing in line for the majority of that time to comply with the laws. Between the $40 per weapon registration and inspection fees, and the license and background check fees and the time I took off work to comply with the 7am - Noon, Mon-Thurs open hours of Guam PD (not to mention finding the unmarked, abandoned building that is the Guam PD armory) I don't know how anyone manages to actually comply in good faith.

The following information was obtained from civilian sources in Guam. Before Open Carrying in Guam Handgunlaw.us recommends you seek more information from the local police.

Those sources stated: Open Carry is legal if you have a firearms ID Card issued by the Guam Police. The firearm must not be concealed. Again Handgunlaw.us can’t confirm this information with Public Officials and puts that information here for reference purposes only.

“YES”

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t.

www.handgunlaw.us
Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

### Notes

**What Does Guam Consider A Loaded Firearm?**

**Title 9 § 71.70, What Constitutes a Loaded Firearm.**

For purposes of this Chapter, a firearm shall be deemed to be loaded when there is an unexpended cartridge or shell, consisting of a case that holds a charge of powder and a bullet or shot, in, or attached in any manner www.handgunlaw.us
to, the firearm, including, but not limited to, in the firing chamber, magazine, or clip thereof attached to the firearm. A muzzle-loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinder.

**State Emergency Powers**

Handgunlaw.us can find no specific laws on the “Emergency Powers” of the Governor or other state officials. That does not mean there are no laws covering this topic but that they just couldn’t be found. During a state of emergency a Governor has very broad powers that are mainly restrained by law. If there are no laws limiting a Governor in what they can or cannot do they can do just about anything they deem appropriate in an Emergency and let things get sorted out after the emergency is past. Looking at New Orleans after Katrina shows you what they can or will do if there are no laws restraining State Government(s).

**Note:** Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See [US Code 42-5207](https://www.law.cornell.edu/uscode/text/42/5207) for Federal Law as it applies to States of Emergencies.

**Minimum Age for Possessing and Transporting of Handguns.**

**Guam 18 Y/O Guam Code Title 10 § 60108 & § 60106 & § 60114**

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Some states (and counties) require Firearms Identification Cards, and/or registration.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

**Permit/License Image**

Guam states they will put an endorsement on the Firearms ID card as pictured below. From Handgunlaw.us understanding where it states Nonconcealed on the ID Card they will put Concealed.

This Image has been digitally assembled from 2 or more images. It is not 100% accurate but gives a good representation of the actual Permit/License.
