(4) The governor shall establish a council, composed of interested persons, including law enforcement personnel and gun owners, to advise the governor on and pursue concealed weapon permit issues.

Sec. 2, Ch. 476, L. 1999.

Note: Even though Montana is Permitless Carry they still don’t honor all other states permit/licenses to carry. Just another item in the law they will most likely clean up later.

Non-Resident Permits

Montana does not issue Non-Resident Permit/Licenses.

Places Off-Limits Even With a Permit/License

New sections not yet given Alpha/Numeric Codes until placed in Statutes.

Section 1. Purpose.

The purpose of [sections 1 through 11] is to enhance the safety of people by expanding their legal ability to provide for their own defense by reducing or eliminating government-mandated places where only criminals are armed and where citizens are prevented from exercising their fundamental right to defend themselves and others.

Section 2. Legislative Intent.

It is the intent of the legislature to reduce or remove provisions of law that limit or prohibit the ability of citizens to defend themselves by restricting with prior restraint the right to keep or bear arms that the people have reserved to themselves in the Montana constitution, and to further establish that the right to defense of a person's life, liberty, or property is a fundamental right.

Section 3. Legislative Findings. Declares and Finds as Follows:

(1) Nowhere in Article X, section 9(2)(a), of the Montana Constitution is any power granted to amend, suspend, alter, or abolish the Montana constitution, nor is any power granted to affect or interfere with the rights the people have reserved to themselves specifically from interference by government entities and government actors in Article II of the Montana constitution.

(2) The Montana university system was created and is controlled by the Montana constitution and the land and buildings occupied by the university system are public property and not private property and are therefore clearly government entities.

(3) Any significant prohibition upon the possession of firearms at or on the various campuses of the Montana university system calls into question the rights that the people have reserved to protect themselves from government interference under Article II, section 12, of the Montana Constitution.

(4) Zones where guns are prohibited provide an increased risk to the health and safety of citizens because these zones create an unreasonable expectation of government-provided safety, while that safety cannot be provided or ensured.

(5) In District of Columbia v. Heller, 554 U.S. 570 (2008), and McDonald v. City of Chicago, 561 U.S. 742 (2010), the United States supreme court affirmed that the second amendment to the United States constitution reserves to individuals the fundamental right to keep and bear arms for self-defense and is applicable as a restriction upon state and local governments and all political subdivisions of state and local government through the 14th amendment to the United States constitution.

Section 4. Where Concealed Weapon May be Carried -- Exceptions.

A person with a current and valid permit issued pursuant to 45-8-321 or recognized pursuant to 45-8-329 may not be prohibited or restricted from exercising that permit anywhere in the state, except:

(1) in a correctional, detention, or treatment facility operated by or contracted with the department of corrections or a secure treatment facility operated by the department of public health and human services;
(2) in a detention facility or secure area of a law enforcement facility owned and operated by a city or county;

(3) at or beyond a security screening checkpoint regulated by the transportation security administration in a publicly owned, commercial airport;

(4) in a building owned and occupied by the United States;

(5) on a military reservation owned and managed by the United States;

(6) on private property where the owner of the property or the person who possesses or is in control of the property, including a tenant or lessee of the property, expressly prohibits firearms;

(7) within a courtroom or an area of a courthouse in use by court personnel pursuant to an order of a justice of the peace or judge; or

(8) in a school building as determined by a school board pursuant to 45-8-361.

Section 5. Prohibition on Infringement of Constitutional Rights.

The board of regents and all university system employees subject to the authority of the board of regents are prohibited from enforcing or coercing compliance with any rule or regulation that diminishes or restricts the rights of the people to keep or bear arms as reserved to them in Article II of the Montana constitution, especially those rights reserved in Article II, sections 4 through 12, notwithstanding any authority of the board of regents under Article X, section 9(2)(a), of the Montana constitution.

Section 6 “Not Effective” until June 1 2021

Section 6. Regulation of Firearms Prohibited for Certain People -- Exceptions.

(1) Except as provided in subsection (2), the board of regents and any unit of the university system may not regulate, restrict, or place an undue burden on the possession, transportation, or storage of firearms on or within university system property by a person eligible to possess a firearm under state or federal law and meeting the minimum safety and training requirements in 45-8-321(3). Note: See note and 45-8-321 below.

(2) The board of regents or a unit of the university system may prohibit or regulate the following:

(a) the discharge of a firearm on or within university system property unless the discharge is done in self-defense;

(b) the removal of a firearm from a gun case or holster unless the removal is done in self-defense or within the domicile on campus of the lawful possessor of the firearm;

(c) the pointing of a firearm at another person unless the lawful possessor is acting in self-defense;

(d) the carrying of a firearm outside of a domicile on campus unless the firearm is within a case or holster;

(e) the failure to secure a firearm with a locking device whenever the firearm is not in the possession of or under the immediate control of the lawful possessor of the firearm;

(f) the possession or storage of a firearm in an on-campus dormitory or housing unit without the express permission of any roommate of the lawful possessor of the firearm;

(g) the possession or storage of a firearm by any individual who has a history of adjudicated university system discipline arising out of the individual's interpersonal violence or substance abuse; and

(h) the possession of a firearm at an event on campus where campus authorities have authorized alcohol to be served and consumed; and

(i) the possession of a firearm at an athletic or entertainment event open to the public with controlled access and armed security on site.

www.handgunlaw.us
Note: Read section 6 above very carefully especially (d), (e) and (f)! Firearm must be in a holster or case. Must be secured if not in your immediate possession or control. You must have the OK of a roommate if living in a Dorm Room. I would get this OK in writing as you could have a falling out with your roommate and this would be a very good revenge item. Would it be in control on your dorm room night stand while you slept? There are still many other questions. Protect yourself as no one else will protect you like you do.

Note: Gary Marbut, president (MSSA) Effects of LR-130 and HB 102 An Explanation by Gary Marbut, president Montana Shooting Sports Association (MSSA) had this little item that could go unnoticed by most. “cities are allowed to “prevent and suppress the carrying of unpermitted concealed weapons or the carrying of unconcealed weapons to a publicly owned and occupied building under its jurisdiction.” 45-8-351(2)(a). This may affect campus carry if a campus is inside city limits and if the city has adopted an ordinance asserting this local authority. If so, this will only affect inside buildings on campus.” Handgunlaw.us recommends you read all of his article linked above.

Section 7. Remedy for Violations.

Any person that suffers deprivation of rights enumerated under [sections 1 through 6] has a cause of action against any governmental entity, as defined in 2-9-101. The cause of action must be filed in district court. If a person asserting a deprivation of rights prevails, the person may be awarded reasonable costs, attorney fees and damages.

Note: Putting 45-8-321(3) here so you will know what minimum training is valid and needed to legally carry on campus. Handgunlaw.us recommends that if you are carrying under Montana Permitless Carry law that you carry documentation with you to show any training as described in 45-8-321. All listed training that is accepted and listed below give a certificate of some type to show you have completed that training.

45-8-321 – (3) Training Requirements

(3) An applicant for a permit under this section must, as a condition to issuance of the permit, be required by the sheriff to demonstrate familiarity with a firearm by:

(a) completion of a hunter education or safety course approved or conducted by the department of fish, wildlife, and parks or a similar agency of another state;

(b) completion of a firearms safety or training course approved or conducted by the department of fish, wildlife, and parks, a similar agency of another state, a national firearms association, a law enforcement agency, an institution of higher education, or an organization that uses instructors certified by a national firearms association;

(c) completion of a law enforcement firearms safety or training course offered to or required of public or private law enforcement personnel and conducted or approved by a law enforcement agency;

(d) possession of a license from another state to carry a firearm, concealed or otherwise, that is granted by that state upon completion of a course described in subsections (3)(a) through (3)(c); or

(e) evidence that the applicant, during military service, was found to be qualified to operate firearms, including handguns.

(2)(a) For public safety purposes, a city or town may regulate the discharge of rifles, shotguns, and handguns. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of unpermitted concealed weapons or the carrying of unconcealed weapons to a publicly owned and occupied building under its jurisdiction.

(b) Nothing contained in this section allows any government to prohibit the legitimate display of firearms through any jurisdiction, whether in airports or otherwise.

70-24-110. Landlords and tenants -- no firearm prohibition allowed.

A landlord or operator of a hotel or motel may not, by contract or otherwise, prevent a tenant or a guest of a
tenant from possessing on the premises a firearm that it is legal for the tenant or guest to possess. A landlord or operator of a hotel or motel may prohibit the discharge of a firearm on the premises except in self-defense.

En. Sec. 6, Ch. 332, L. 2009.

Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage." As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Montana have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Carry in Restaurants That Serve Alcohol

YES    45-8-328

Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant.
