See the “RV/Car Carry Without a Permit” section for carrying in a vehicle. Also see the State Preemption
and Do Gun Signs Have the Force of Law Sections for more information.

The state preempts firearm laws (17-556) state that local authorities can’t have Laws/Ordinances against
concealed carry and other areas concerning firearms but can pass laws/ordinances coving the carrying of
firearms openly. It would be up to the person who wishes to open carry to know the local laws/ordinances
that would impact them. Remember that if you enter any property and the owner/responsible person ask you
to leave you must leave. Failure to leave can result in Trespass Charges. Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is
not the last word on Open Carry in this state. Check at [www.opencarry.org](http://www.opencarry.org) or go to Google and type in
State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Notes

What Does NE Consider A Loaded Firearm?

Nebraska law does not define loaded or unloaded firearm.

Note: With no definition on what the state considers a loaded firearm at the minimum I would have no cartridge in the firing chamber, cylinder, internal or attached magazine or attached to the firearm in any way.
