Permits/Licenses This State Honors Listed Below

New York does not honor any other states Permit-License.

IMPORTANT NOTE: Your New York State pistol license is only valid in the counties outside the 5 counties of New York City unless it is issued or validated by New York City. You may not take your handguns into the city, this includes Self Protection licensees, with a few exceptions.

How to Apply for a Permit

New York has so many laws and regulations that applying for a permit to carry can be a long drawn out process in some counties or rapid in others. Your best course of action is to check with the Licensing Officer in your City or County as they have a set procedure they go by.

Of the fifty-nine (59) licensing jurisdictions, fifty-five (55) issue pistol licenses through the courts with a judge serving as the licensing officer. Background investigations however are conducted by the local law enforcement agencies. The remaining jurisdictions, New York City, Nassau and Suffolk Counties have licensing officers that are either Police Commissioners or a Sheriff. All upstate counties except Westchester
have lifetime-licenses, also known as “Good-Until-Revoked”. Nassau, Suffolk and Westchester licenses expire every five years (5) and licenses issued in New York City have a two-year (2) expiration.

**Note:** New Law passed 1/15/13 states you must verify your permit every three years with authorities. More information and how to recertify can be found at [NYS Pistol Permit Recertification](http://www.nyspistolpermits.com).

**Every 3 years you will need to verify** the following information on your pistol permit to the New York State Police: name, DOB, gender, race, residential address, social security number, the firearms possessed, and if you want, your e-mail address. The purpose of the recertification is to update. Once you have completed the recertification, you must recertify every three years thereafter. If you do not recertify, your permit will no longer be valid and you will need to reapply. You can read the information [Here](http://www.nyspistolpermits.com).

Q - **What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?**

The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Licensees in violation of these restrictions would therefore not be subject to criminal prosecution but would face action being taken by the court of issuance in the form of suspension or possible revocation of the license.

**Note:** Only qualified Retired Law Enforcement Officers or Full Carry License holders can carry concealed.

Transporting Firearms Through New York

The best way to travel through NY or any state that has restriction is to carry a copy of Title 18-Part 1-Chapter 44 926A of the federal code with you. Some law enforcement may not know the law. DO keep the firearm in a locked box. Keep ammo in another locked box. No ammo in Magazines or speed loaders in the trunk or if no trunk as far back in the vehicle as possible in a locked box. By NY Law if you are traveling across the state and can legally possess the firearm where you started and where you are going you can transport it as above. But if you stop in NY and spend the night in a motel/hotel/camp ground etc you are in violation of NY law and can be arrested if found with a firearm. Stopping for gas and food would most likely be OK but this is not a given in NY.

transporting a firearm through NY.

From the NRA/ILA on Transporting Firearms through NY.

It is unlawful for any person to carry, possess or transport a handgun in or through the state unless he has a
valid New York license. (A provision of federal law provides a defense to state or local laws which would
prohibit the passage of persons with firearms in interstate travel if the person is traveling from any place
where he may lawfully possess and transport a firearm to any other place where he may lawfully possess and
transport such firearm and the firearm is unloaded and in the trunk. In vehicles without a trunk, the unloaded
firearm shall be in a locked container other than the glove compartment or console).

Open Carry (Without a Valid Permit/License)

To carry any firearm in New York a person must have a New York Permit/License. New York law also
states “To Have and Carry Concealed” and never mentions carrying openly but always concealed. So Open
Carry in New York is most likely illegal.

Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State
Name for a search for open carry info in this state. Check with the State’s RKBA Organization/s. Also see
“Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

State Preemption

Note: New York Statutes does not have a preemption law for firearms, ammunition or their accessories.

1. A person is guilty of criminal possession of a firearm, rifle or shotgun in a sensitive location when such person possesses a firearm, rifle or shotgun in or upon a sensitive location, and such person knows or reasonably should know such location is a sensitive location.

   (o) any establishment issued a license for on-premise consumption pursuant to article four, four-A, five, or six of the alcoholic beverage control law where alcohol is consumed and any establishment licensed under article four of the cannabis law for on-premise consumption;

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

New York City Administrative Code § 10-135

Stun Devices/Electric Weapons are illegal in NY State & New York City.

www.handgunlaw.us
Note: U.S. District Court Northern District of New York has Ruled that Stun Guns and Taser Ban in N.Y. Pen. Law 265.01 (1) is Unconstitutional. Handgunlaw.us was hearing that NY would make rules concerning the Possession and Carrying of these devices but has seen no attempt by NY to do so. NYC Administrative Rule 10-135 would be Unconstitutional also. So possession and carrying are legal until/if New York makes Administrative Rules governing their possession and carrying. Use Caution as they could adopt a new Administrative Rule at any time.

### Minimum Age for Possessing and Transporting of Handguns.

**New York** 21 Y/O  **Penal Code, Part 4 title W, § 400.00**

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms. Some states (and counties) require Firearms Identification Cards, and/or registration.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
