Permits/Licenses This State Honors Listed Below

New York City does not honor any other states permits and even a New York State Permit/License to carry is not valid in New York City without a NYC Endorsement. The map above for NY State also applies to NYC carry licenses if it is unrestricted. That means you have a permit in NYC that allows you to carry your firearm any time in the city.

How to Apply for a Permit

Notice: NYC has put out Emergency Rules signed 8/19/2022 on Applying. You should read them before applying. With passage of A41001 7/2022 things are changing and it will be some time before everything goes into effect from the law change. This page will be updated when changes are announced.

Premises License: This is a restricted type of license. It is issued for your residence or business. The Licensee may possess a handgun ONLY on the premises of the address indicated on the front of the license. Licensees may also transport their handguns and ammunition in separate locked containers, directly to and from an authorized range or hunting location. (For hunting, an endorsement from NYPD License Division is required, in addition to a New York State hunting license). Handguns must be unloaded while being transported.

Carry Business License: This license permits the carrying of a handgun concealed on the person. It is valid for the business name, address, and handguns listed on the license. It is not transferable to any other person, business, occupation, or address, without the written approval of the License Division's Commanding Officer. This license may also be issued for safety reasons unrelated to business.

Limited Carry Business License: This is a restricted type of license. The licensee may only carry handguns indicated on the license in accordance with the specific limitations listed thereon. At all other times, the handgun must be safeguarded within the confines of the address listed on the front of the license, either concealed on the licensee's person in a proper holster or stored unloaded in a locked safe.

Special Carry License: The Special Carry License is valid for the business name, address and handguns listed on the license, only while the licensee has in his possession a valid carry county license issued according to the provisions of article 400 of the N.Y.S. Penal law. Upon the revocation, suspension, or cancellation of the basic county license, the Special Carry License is rendered void and must be immediately returned to the License Division. (For Retired Law Enforcement officers who wish to apply for a Special Carry handgun license, follow the instructions listed below-“INSTRUCTIONS FOR LAW ENFORCEMENT (NON-NYPD) RETIREEES WHO RESIDE OUTSIDE OF NEW YORK CITY”).

Carry Guard License: (security guards, etc.) This is a restricted type of license. Applications for this type of license must be made with the documentation provided by a company's gun custodian. It is issued only for the handgun listed on the license. The handgun may be carried only while the licensee is actively engaged in employment for the company whose name appears on the license and/or while licensee is in transit directly to or from residence and place of employment. At all other times, the handgun must be stored unloaded in a locked container, at either the address on the license or at the employee's legal residence (within the State of New York).

Rifle/Shotgun Permit:  
This permit is issued for the possession and purchase of rifles and shotguns.

Law Enforcement Retiree License:  
This type of license is for retired Law Enforcement Officers.

Note: New Law passed 1/15/13 states you must verify your permit every three years with authorities. More information and how to recertify can be found at NYS Pistol Permit Recertification.
Every 3 years you will need to verify the following information on your pistol permit to the New York State Police: name, DOB, gender, race, residential address, social security number, the firearms possessed, and if you want, your e-mail address. The purpose of the recertification is to update information. This recertification process will not be in place for one year. Once it is in place, you will have up to four years to do your first recertification. If you still have not recertified after four years, you will receive a notice to recertify. Once you have completed the recertification, you must recertify every three years thereafter. If you do not recertify, your permit will no longer be valid and you will need to reapply. You can read the information [Here](#).

**From the New York State Police FAQs.**

Q - What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?

A - The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Licensees in violation of these restrictions would therefore not be subject to criminal prosecution but would face action being taken by the court of issuance in the form of suspension or possible revocation of the license.

### Non-Resident Permits

**NY Pen. Code § 400.00**

3. Applications. (a) Applications shall be made and renewed, in the case of a license to carry or possess a pistol or revolver, to the licensing officer in the city or county, as the case may be, where the applicant resides, is principally employed or has his or her principal place of business as merchant or storekeeper; and, in the case of a license as gunsmith or dealer in firearms, to the licensing officer where such place of business is located. Blank applications shall, except in the city of New York, be approved as to form by the superintendent of state police.  

Laws 2020, ch. 55, Sec. N-2, eff. 4/3/2021

The United States Court of Appeals for the Second Circuit ruled on October 15, 2013 that a person who lived part time in New York could obtain a permit to purchase/possess firearms. I am hearing that more counties are issuing a permit to carry to non-residents. You can read the decision [Here](#) or go to the AG Opinions/Court Case Section for the decision.

**Note:** The News Media published a map of NY Permit holders from Westchester and Rockland counties on 12/22/12. They filed a Freedom of Information request for Permits issued in those counties. NY State Permits issued by those counties had addresses listed on the permit for people living in CT, NJ, NC, VA, FL and TX. These people most likely have a business or own property in NY but issue to non-residents seems certain. If you apply you would follow the same procedures as a resident. (See Resident Permit Section)

### Places Off-Limits Even With a Permit-License

**Notice:** 11/15/2022 - Three Judge Panel has Reinstated NY Law as Passed so Issuing a Permit and Places Off Limits are in Force as Listed in the Original Statute

These places listed in State Law would also apply in New York City. NYC may add other restriction if they wish.

See Court ruling Here.

**Transporting Firearms Through New York**

The best way to travel through NY or any state that has restriction is to carry a copy of Title 18-Part 1-Chapter 44 926A of the federal code with you. Some law enforcement may not know the law. DO keep the firearm in a locked box. Keep ammo in another locked box. No ammo in Magazines or speed loaders in the trunk or if no trunk as far back in the vehicle as possible in a locked box. By NY Law if you are traveling across the state and can legally possess the firearm where you started and where you are going you can

www.handgunlaw.us
transport it as above. But if you stop in NY and spend the night in a motel/hotel/camp ground etc you are in violation of NY law and can be arrested if found with a firearm. Stopping for gas and food would most likely be OK but this is not a given in NY.

**United States Code Title 18 - Part I - Chapter 44**

§ 926A. Interstate Transportation of Firearms

### RV/Car Carry Without a Permit/License

**Notice:** A New York Attorney answered the questions for the Armed Citizens Legal Defense Network, “Transporting a Firearm Through New York Under 18 U.S.C. § 926(a).” It is short and sweet and worth the read explaining how things are in New York for transporting firearms.

It is illegal to possess a loaded firearm in any motor vehicle without a valid New York Permit/License to Carry. It is illegal to possess any pistol in New York without a New York Pistol License. It is legal to transport a legal firearm through New York under Federal law:

**United States Code Title 18 - Part I - Chapter 44**

§ 926A. Interstate Transportation of Firearms

Notwithstanding any other provision of any law or any rule or regulation of a State or any political subdivision thereof, any person who is not otherwise prohibited by this chapter from transporting, shipping, or receiving a firearm shall be entitled to transport a firearm for any lawful purpose from any place where he may lawfully possess and carry such firearm to any other place where he may lawfully possess and carry such firearm if, during such transportation the firearm is unloaded, and neither the firearm nor any ammunition being transported is readily accessible or is directly accessible from the passenger compartment of such transporting vehicle: Provided, That in the case of a vehicle without a compartment separate from the driver’s compartment the firearm or ammunition shall be contained in a locked container other than the glove compartment or console.

NY also has restrictions on the type of firearms you can possess in NY and Magazines that hold more than 10 rounds or can be converted to hold more than 10 rounds are illegal. Use extreme caution when transporting a firearm through NY.

**From the NRA/ILA on Transporting Firearms through NY.**

It is unlawful for any person to carry, possess or transport a handgun in or through the state unless he has a valid New York license. (A provision of federal law provides a defense to state or local laws which would prohibit the passage of persons with firearms in interstate travel if the person is traveling from any place where he may lawfully possess and transport a firearm to any other place where he may lawfully possess and

www.handgunlaw.us
transport such firearm and the firearm is unloaded and in the trunk. In vehicles without a trunk, the unloaded firearm shall be in a locked container other than the glove compartment or console).

**Open Carry (Without a Valid Permit/License)**

To carry any firearm in New York a person must have a New York Permit/License. New York law also states “To Have and Carry Concealed” and never mentions carrying openly but always concealed. So Open Carry in New York is most likely illegal.

Check at [www.opencarry.org](http://www.opencarry.org) or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

[Penal Code § 265.01-c](#) Criminal Possession of a Firearm, Rifle/Shotgun in a Sensitive Location. (9/1/22)
1. A person is guilty of criminal possession of a firearm, rifle or shotgun in a sensitive location when such person possesses a firearm, rifle or shotgun in or upon a sensitive location, and such person knows or reasonably should know such location is a sensitive location.

2. For the purposes of this section, a sensitive location shall mean:

   (o) any establishment issued a license for on-premise consumption pursuant to article four, four-A, five, or six of the alcoholic beverage control law where alcohol is consumed and any establishment licensed under article four of the cannabis law for on-premise consumption;

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

### Chemical Sprays/Stun Gun/Higher Capacity Magazine Laws

#### Large Capacity Ammunition Feeding Devices

**N.Y. Pen. Law 265.00 23.** "Large capacity ammunition feeding device" means a magazine, belt, drum, feed strip, or similar device, that has a capacity of, or that can be readily restored or converted to accept, more than ten rounds of ammunition; provided, however, that such term more than seven rounds of ammunition does not include an attached tubular device designed to accept, and capable of operating only with, .22 caliber rimfire ammunition or a feeding device that is a curio or relic.

**Note:** U.S. District Court Northern District of New York has Ruled that Stun Guns and Taser Ban in N.Y. Pen. Law 265.01 (1) is Unconstitutional. Handgunlaw.us was hearing that NY would make rules concerning the Possession and Carrying of these devices but has seen no attempt by NY to do so. NYC Administrative Rule 10-135 would be Unconstitutional also. So possession and carrying are legal until/if New York makes Administrative Rules governing their possession and carrying. See Knife Law Section above. Use Caution as they could pass a city ordinance at any time.

Minimum Age for Possessing and Transporting of Handguns.

New York City 21 Y/O NY Penal Code, Part 4 title W, § 400.00

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Some states (and counties) require Firearms Identification Cards, and/or registration.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other
places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

**Permit/License Image**

I do not know what is on the reverse of this License.

I believe this image of the NYC License is incomplete. There may be other info on it and there are other background Icons/Seals that I can’t make out on the one copy I have. It is a work in progress. Some colors may not be right.
