RV/Car Carry Without a Permit/License

Transporting Firearms (Page 22) From the NC DPS

It is unlawful to carry a concealed handgun in a vehicle unless the person has a valid concealed carry permit. A person who is not a convicted felon may carry a handgun if not concealed.

A handgun is concealed in a vehicle if it cannot be readily seen by a person approaching and if it is readily accessible. A handgun under the front seat or in an unlocked glove box or console is illegal. A handgun openly displayed or in a locked glove box, locked console, or in the trunk is lawful.

Transporting Weapons From the North Carolina Sheriffs’ Association

Given the general prohibition of carrying concealed weapons, individuals must be ever vigilant to ensure their particular situation cannot be construed as concealing a weapon, either on or about them, without being properly authorized to do so with a valid North Carolina or recognized out-of-state concealed handgun permit. Therefore, the permittee’s accessibility to the weapon is of prime importance. It is unlawful to transport a weapon (absent a proper permit) that is BOTH concealed and readily accessible to a person. It is for these reasons, that when transporting a weapon in a vehicle, even greater care must be exercised to ensure
that the weapon is not concealed and within the ready access to an occupant of the vehicle. North Carolina law does not specifically address how to transport a weapon in an automobile. Therefore, the central question becomes: when is the weapon concealed and readily accessible to an occupant of an automobile? Obviously, a weapon would be concealed and readily accessible, and therefore in violation of state law, if it were placed in such areas of a vehicle as under the seat of the automobile; in a bag in the back seat; or in some other manner that is covered or hidden within the easy reach of an occupant of the vehicle.

The prohibition on carrying concealed weapons applies not only to handguns and other weapons commonly thought of as being easily hidden, but also to “long guns” as well. Therefore, shotguns and rifles concealed behind the seat of pickup trucks, and elsewhere in other vehicles, could similarly violate North Carolina law.

As to those vehicles with no easily discernible trunk area (e.g., SUVs, vans, etc.), it becomes a factual determination of when the weapon is within ready and easy access to an occupant of the vehicle. If the weapon is concealed near, in close proximity to, or within the convenient control and access of an occupant, which would allow him/her to use the weapon quickly, then a fair probability exists that the occupant is in violation of the law. Therefore, care must be exercised by any occupant of any vehicle to ensure that weapons are securely locked away in as remote an area as possible, in relation to the passenger compartment of the vehicle. It is important to emphasize that these prohibitions apply to passengers, as well as drivers of any vehicle.

From: NC Firearm Laws & Permits - NC Sheriffs' Association

Note: In NC you can carry the firearm loaded and in your vehicle without any type of permit/license as long as it is visible. The law says you can’t conceal it. So keep it in the open and you are legal.

Open Carry (Without a Valid Permit/License)

Open Carry is legal but local governments have some limited authority to restrict firearms in some locations. (See law quotes below. I am not sure if or how these statutes would apply) Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

A city may by ordinance regulate, restrict, or prohibit the discharge of firearms at any time or place within the city except when used in defense of person or property or pursuant to lawful directions of law-enforcement officers, and may regulate the display of firearms on the streets, sidewalks, alleys, or other public property. Nothing in this section shall be construed to limit a city's authority to take action under Article 1A of Chapter 166A of the General Statutes. 1971, c. 698, s. 1; 2012-12, s. 2(zz).

§ 153A-129. Firearms.

(a) Except as provided in this section, a county may by ordinance regulate, restrict, or prohibit the discharge of firearms at any time or place except in any of the following instances:

(1) When used to take birds or animals pursuant to Chapter 113, Subchapter IV.
(2) When used in defense of person or property.
(3) When used pursuant to lawful directions of law-enforcement officers.

(b) A county may by ordinance prohibit hunting on Sunday as allowed under G.S. 103-2, provided the ordinance complies with all of the following:

(1) The ordinance shall be applicable from January 1 until December 31 of any year of effectiveness.
(2) The ordinance shall allow for individuals hunting in an adjacent county with no restriction on Sunday hunting to retrieve any animal lawfully shot from the adjacent county.

(3) The ordinance shall be applicable to the entire county.

(4) The ordinance shall not be effective unless approved by a majority of those voting in a county-wide referendum held as provided in G.S. 163A-1592. Such special election shall only be held at the time provided by G.S. 163A-1592(a)(1).

(c) A county may regulate the display of firearms on the public roads, sidewalks, alleys, or other public property.

(d) This section does not limit a county's authority to take action under Article 1A of Chapter 166A of the General Statutes

**Note:** Some Cities/Counties have/may have ordinances against open carry. It is up to you to know the local laws on open carry.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances except for those expressly given to them by the legislature. § 14-409.40 & §14-415.23 as listed in the “Preemption Section” state places local governments can make off limits. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

### State Preemption

**§ 14-409.40. Statewide Uniformity of Local Regulation.** (General Laws)

(a) It is declared by the General Assembly that the regulation of firearms is properly an issue of general, statewide concern, and that the entire field of regulation of firearms is preempted from regulation by local governments except as provided by this section.

(a1) The General Assembly further declares that the lawful design, marketing, manufacture, distribution, sale, or transfer of firearms or ammunition to the public is not an unreasonably dangerous activity and does not constitute a nuisance per se and furthermore, that it is the unlawful use of firearms and ammunition, rather than their lawful design, marketing, manufacture, distribution, sale, or transfer that is the proximate cause of injuries arising from their unlawful use. This subsection applies only to causes of action brought under subsection (g) of this section.

(b) Unless otherwise permitted by statute, no county or municipality, by ordinance, resolution, or other enactment, shall regulate in any manner the possession, ownership, storage, transfer, sale, purchase, licensing, or registration of firearms, firearms ammunition, components of firearms, dealers in firearms, or dealers in handgun components or parts.

(c) Notwithstanding subsection (b) of this section, a county or municipality, by zoning or other ordinance, may regulate or prohibit the sale of firearms at a location only if there is a lawful, general, similar regulation or prohibition of commercial activities at that location. Nothing in this subsection shall restrict the right of a county or municipality to adopt a general zoning plan that prohibits any commercial activity within a fixed distance of a school or other educational institution except with a special use permit issued for a commercial
activity found not to pose a danger to the health, safety, or general welfare of persons attending the school or educational institution within the fixed distance.

(d) No county or municipality, by zoning or other ordinance, shall regulate in any manner firearms shows with regulations more stringent than those applying to shows of other types of items.

(e) A county or municipality may regulate the transport, carrying, or possession of firearms by employees of the local unit of government in the course of their employment with that local unit of government.

(f) Nothing contained in this section prohibits municipalities or counties from application of their authority under G.S. 153A-129, 160A-189, 14-269, 14-269.2, 14-269.3, 14-269.4, 14-277.2, 14-415.11, 14-415.23, including prohibiting the possession of firearms in public-owned buildings, on the grounds or parking areas of those buildings, or in public parks or recreation areas, except nothing in this subsection shall prohibit a person from storing a firearm within a motor vehicle while the vehicle is on these grounds or areas. Nothing contained in this section prohibits municipalities or counties from exercising powers provided by law in states of emergency declared under Article 1A of Chapter 166A of the General Statutes.

(g) The authority to bring suit and the right to recover against any firearms or ammunition marketer, manufacturer, distributor, dealer, seller, or trade association by or on behalf of any governmental unit, created by or pursuant to an act of the General Assembly or the Constitution, or any department, agency, or authority thereof, for damages, abatement, injunctive relief, or any other remedy resulting from or relating to the lawful design, marketing, manufacture, distribution, sale, or transfer of firearms or ammunition to the public is reserved exclusively to the State. Any action brought by the State pursuant to this section shall be brought by the Attorney General on behalf of the State. This section shall not prohibit a political subdivision or local governmental unit from bringing an action against a firearms or ammunition marketer, manufacturer, distributor, dealer, seller, or trade association for breach of contract or warranty for defect of materials or workmanship as to firearms or ammunition purchased by the political subdivision or local governmental unit.

(h) A person adversely affected by any ordinance, rule, or regulation promulgated or caused to be enforced by any county or municipality in violation of this section may bring an action for declaratory and injunctive relief and for actual damages arising from the violation. The court shall award the prevailing party in an action brought under this subsection reasonable attorneys' fees and court costs as authorized by law."

§ 14-415.23. Statewide Uniformity. (CCW Specific)

(a) It is the intent of the General Assembly to prescribe a uniform system for the regulation of legally carrying a concealed handgun. To insure uniformity, no political subdivisions, boards, or agencies of the State nor any county, city, municipality, municipal corporation, town, township, village, nor any department or agency thereof, may enact ordinances, rules, or regulations concerning legally carrying a concealed handgun. A unit of local government may adopt an ordinance to permit the posting of a prohibition against carrying a concealed handgun, in accordance with G.S. 14-415.11(c), on local government buildings and their appurtenant premises.

(b) A unit of local government may adopt an ordinance to prohibit, by posting, the carrying of a concealed handgun on municipal and county recreational facilities that are specifically identified by the unit of local government. If a unit of local government adopts such an ordinance with regard to recreational facilities, then the concealed handgun permittee may, nevertheless, secure the handgun in a locked vehicle within the trunk, glove box, or other enclosed compartment or area within or on the motor vehicle.

(c) For purposes of this section, the term "recreational facilities" includes only the following:

1. An athletic field, including any appurtenant facilities such as restrooms, during an organized athletic event if the field had been scheduled for use with the municipality or county office responsible for operation of the park or recreational area.
(2) A swimming pool, including any appurtenant facilities used for dressing, storage of personal items, or other uses relating to the swimming pool.

(3) A facility used for athletic events, including, but not limited to, a gymnasium.

(d) For the purposes of this section, the term "recreational facilities" does not include any greenway, designated biking or walking path, an area that is customarily used as a walkway or bike path although not specifically designated for such use, open areas or fields where athletic events may occur unless the area qualifies as an "athletic field" pursuant to subdivision (1) of subsection (c) of this section, and any other area that is not specifically described in subsection (c) of this section.

(e) A person adversely affected by any ordinance, rule, or regulation promulgated or caused to be enforced by any unit of local government in violation of this section may bring an action for declaratory and injunctive relief and for actual damages arising from the violation. The court shall award the prevailing party in an action brought under this subsection reasonable attorneys' fees and court costs as authorized by law.

B. Law Enforcement Officers Safety Act of 2004

Current, out-of-state sworn law enforcement officers may carry concealed handguns in certain areas of North Carolina, if the officer meets all the criteria set forth under the federal law known as the Law Enforcement Officers Safety Act of 2004 (18 U.S.C. 926B). A qualified officer would be one who is an employee of a governmental agency; is authorized by law to enforce criminal laws with the statutory powers of arrest; is authorized to carry firearms by their agency; regularly qualifies with their firearm; is not under the influence of alcohol or drugs; and is not prohibited by federal law from receiving a firearm. The officer must carry
valid photographic identification as an officer. While carrying in North Carolina, the out-of-state officer may not carry in either public or private areas where the possession of firearms is prohibited.

Also, pursuant to the Law Enforcement Officers Safety Act of 2004 (18 U.S.C. 926B), certain qualified retired officers may be eligible to carry concealed handguns in North Carolina. A qualified retired officer is one who retired in good standing from a public agency as a law enforcement officer; had statutory powers of arrest; had an aggregate of fifteen (15) years or more service (unless retired due to a service-connected disability); qualified annually with their handgun; is not under the influence of alcohol or drugs; and is not prohibited by federal law from receiving a firearm. While carrying in North Carolina, the qualified retired officer may not carry in either public or private areas where the possession of firearms is prohibited. A person meeting the definition of a qualified retired law enforcement officer may carry a concealed handgun in North Carolina, if they are carrying photographic credentials identifying them as a retired qualified law enforcement officer, and the person has qualified with their handgun annually, either with the agency from which they retired, or as certified by the North Carolina Criminal Justice Education and Training Standards Commission (the Commission). To gain such qualification from the Commission, the qualified retired officer must make application to the Commission by submitting a verification of firearms qualification, conducted by a firearms instructor who is certified by the Commission as a Law Enforcement Firearms Instructor. The qualified retired officer must also submit a copy of their photographic identification showing their retired status, and other information required by the Commission. A person making any intentional misrepresentation on this form is guilty of a Class 2 Misdemeanor and may have their firearms qualification revoked. This status does not exempt the person from any other registration or training requirements necessary in the private protective services profession. Forms for this process may be obtained from the Criminal Justice Commission. N.C. Gen. Stat. § 14-415.26

**State Emergency Powers**

(c) In addition to any other powers conferred upon the Governor by law, during a gubernatorially or legislatively declared state of emergency, if the Governor determines that local control of the emergency is insufficient to assure adequate protection for lives and property because (i) needed control cannot be imposed locally because local authorities responsible for preservation of the public peace have not enacted appropriate ordinances or issued appropriate declarations as authorized by G.S. 166A-19.31; (ii) local authorities have not taken implementing steps under such ordinances or declarations, if enacted or declared, for effectual control of the emergency that has arisen; (iii) the area in which the emergency exists has spread across local jurisdictional boundaries, and the legal control measures of the jurisdictions are conflicting or uncoordinated to the extent that efforts to protect life and property are, or unquestionably will be, severely hampered; or (iv) the scale of the emergency is so great that it exceeds the capability of local authorities to cope with it, the Governor has the following powers:

(1) To impose by declaration prohibitions and restrictions in the emergency area. These prohibitions and restrictions may, in the Governor's discretion, as appropriate to deal with the emergency, impose any of the types of prohibitions and restrictions enumerated in G.S. 166A-19.31(b), and may amend or rescind any prohibitions and restrictions imposed by local authorities. Prohibitions and restrictions imposed pursuant to this subdivision shall take effect in accordance with the provisions of G.S. 166A-19.31(d) and shall expire upon the earliest occurrence of either of the following: (i) the prohibition or restriction is terminated by the Governor or (ii) the state of emergency is terminated. 2021-180, s. 19E.6(c).

**Note:** Looks like the Governor can only put in place restrictions listed in (b) Below.

**§ 166A-19.31. Power of Municipalities and Counties to Enact Ordinances To Deal With States of Emergency.** (Edited for Space Considerations)

(a) Authority to Enact Prohibitions and Restrictions. - The governing body of any municipality or county may enact ordinances designed to permit the imposition of prohibitions and restrictions within the emergency area during a state of emergency declared pursuant to G.S. 166A-19.22. Authority to impose by declaration prohibitions and restrictions under this section, and to impose those prohibitions and restrictions
at a particular time as appropriate, may be delegated by ordinance to the mayor of a municipality or to the chair of the board of county commissioners of a county.

(b) Type of Prohibitions and Restrictions Authorized. - The ordinances authorized by this section may permit prohibitions and restrictions:

(1) Of movements of people in public places, including any of the following:
   a. Imposing a curfew.
   b. Directing and compelling the voluntary or mandatory evacuation of all or part of the population from any stricken or threatened area within the governing body's jurisdiction.
   c. Prescribing routes, modes of transportation, and destinations in connection with evacuation.
   d. Controlling ingress and egress of an emergency area, and the movement of persons within that area.
   e. Providing for the closure, within the emergency area, of streets, roads, highways, bridges, public vehicular areas, or other areas ordinarily used for vehicular travel, except to the movement of emergency responders and other persons necessary for recovery from the emergency. In addition to any other notice or dissemination of information, notification of any closure of a road or public vehicular area under the authority of this sub-subdivision shall be given to the Department of Transportation as soon as practicable. The ordinance may designate the sheriff to exercise the authority granted by this sub-subdivision. G.S. 166A-19.70(c) and (d) shall apply to this sub-subdivision.

(2) Of the operation of offices, business establishments, and other places to or from which people may travel or at which they may congregate.

(3) Upon the possession, transportation, sale, purchase, and consumption of alcoholic beverages.

(4) Upon the possession, transportation, sale, purchase, storage, and use of gasoline, and dangerous weapons and substances, except that this subdivision does not authorize prohibitions or restrictions on lawfully possessed firearms or ammunition. As used in this subdivision, the term "dangerous weapons and substances" has the same meaning as it does under G.S. 14-288.1. As used in this subdivision, the term "firearm" has the same meaning as it does under G.S. 14-409.39(2).

Minimum Age for Possessing and Transporting of Handguns.

North Carolina 18 Y/O § 14-269.7

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
