## Do "No Gun Signs" Have the Force of Law?

**"NO"**

"No Firearm" signs in Rhode Island have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave.

"Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](#) and give one to the owner of the establishment that has the signage." As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them."

## Must Inform Officer Immediately on Contact By Law?

**"NO"**

**§ 11-47-27 Standard of Proof Under §§ 11-47-1 – 11-47-34.** – No negative allegation of any kind need be averred or proved in any complaint under §§ 11-47-1 – 11-47-34, and the carrying or use of any firearm contrary to the provisions of those sections shall be evidence that the possession, carrying or use of any firearm is unlawful, but the respondent in any case brought under those sections may show any fact that would render the possession, or use, or carrying of the firearm lawful.

History of Section P.L. 1959, ch. 75, § 1.)

**Note:** The way Handgunlaw.us reads the above law if you have a firearm on you and don't have a valid Permit/License to carry then you will be arrested and you will then have the chance to prove your carrying was not illegal. A Valid Permit/License on your person at the time would make the carrying Lawful.

#### [§ 11-47-8](#) License or Permit Required for Carrying Pistol – Possession of Machine Gun. –

(a) No person shall, without a license or permit issued as provided in §§ 11-47-11, 11-47-12, and 11-47-18, carry a pistol or revolver in any vehicle or conveyance or on or about his or her person whether visible or concealed, except in his or her dwelling house or place of business or on land possessed by him or her or as provided in §§ 11-47-9 and 11-47-10. **The provisions of these sections shall not apply to any person who is the holder of a valid license or permit issued by the licensing authority of another state, or territory of the United States, or political subdivision of the state or territory, allowing him or her to carry a pistol or revolver in any vehicle or conveyance or on or about his or her person whether visible or concealed, provided the person is merely transporting the firearm through the state in a vehicle or other conveyance without any intent on the part of the person to detain him or herself or remain within the state of Rhode Island.** No person shall manufacture, sell, purchase, or possess a machine gun except as otherwise provided in this chapter. Every person violating the provision of this section shall, upon conviction, be punished by imprisonment for not less than one nor more than ten (10) years, or by a fine up to ten thousand dollars (\$10,000), or both, and except for a first conviction under this section, shall not be afforded the provisions of suspension or deferment of sentence, nor a probation.. ## Open Carry (Without a Valid Permit/License)

Open Carry is legal but only for those with a valid permit/license to carry. Only those permit/licenses issued by the Attorney General of Rhode Island allow the holder to open carry. Those issued by local authorities in Rhode Island Per [§11-47-11](#) do not allow the permit/license holder to open carry as Local Authorities issue a permit to carry a “Concealed Firearm.” I am hearing that open carry is rare in Rhode Island. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at [www.opencarry.org](http://www.opencarry.org) or go to Google and type in

## Carry in Restaurants That Serve Alcohol

**YES** (There is no law stating it is illegal)

**Note:** A “**YES**” above means you can carry into places like described below. “**NO**” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

#### **§ 30-15-9 Governor's Responsibilities Relating to Disaster Emergencies.**

(Edited for Space Considerations)

(a) The governor shall be responsible for meeting the dangers to the state and people presented by disasters.

(b) A state of emergency shall be declared by executive order or proclamation of the governor if he or she finds a disaster has occurred or that this occurrence, or the threat thereof, is imminent. The state of disaster emergency shall continue until the governor finds that the threat or danger has passed or the disaster has been dealt with to the extent that emergency conditions no longer exist and terminates the state of disaster emergency by executive order or proclamation, but no state of disaster emergency may continue for longer than thirty (30) days unless renewed by the governor. The general assembly, by concurrent resolution, may terminate a state of disaster emergency at any time. Thereupon, the governor shall issue an executive order or proclamation ending the state of disaster emergency and what actions are being taken to control the emergency and what action the public should take to protect themselves. All executive orders or proclamations issued under this subsection shall indicate the nature of the disaster, the area or areas threatened, and the conditions that have brought it about or that make possible termination of the state of disaster emergency. An executive order or proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and, unless the circumstances attendant upon the disaster prevent or impede, promptly filed with the agency, the secretary of state, and the city and town clerks in the area to which it applies.

(c) An executive order or proclamation of a state of disaster emergency, shall activate the state and local disaster emergency plans applicable to the political subdivision or area in question and shall be authority for the deployment and use of any forces to which the plan or plans apply and for the use or distribution of any supplies, equipment, and materials and facilities assembled, stockpiled, or arranged to be made available pursuant to this chapter or any other provision of law relating to disaster emergencies.

(d) During the continuance of any state of disaster emergency the governor is commander-in-chief of the organized and unorganized militia and of all other forces available for emergency duty. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement embodied in appropriate executive orders or regulations, but nothing herein restricts the governor's authority to do so by orders issued at the time of the disaster emergency.

(e) In addition to any other powers conferred upon the governor by law, the governor may exercise the following powers, subject to the provisions of subsection (g) of this section, limited in scope and duration as is reasonably necessary for emergency response:

(1) Suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business, or the orders, rules, or regulations of any state agency, if strict compliance with the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency, provided that the suspension of any statute, order, rule or regulation will be limited in duration and scope to the emergency action requiring said suspension;

(2) Utilize all available resources of the state government as reasonably necessary to cope with the disaster emergency and of each political subdivision of the state;

(3) Transfer the direction, personnel, or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency services;

(4) Subject to any applicable requirements for compensation under § 30-15-11, commandeer or utilize any private property if the governor finds this necessary to cope with the disaster emergency;

(5) Direct and compel the evacuation of all or part of the population from any stricken or threatened area within the state if the governor deems this action necessary for the preservation of life or other disaster mitigation, response, or recovery;

(6) Prescribe routes, modes of transportation, and destinations in connection with evacuation;

(7) Control ingress and egress to and from a high risk area, the movement of persons within the area, and the occupancy of premises therein;

(8) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, and combustibles;

### **Minimum Age for Possessing and Transporting of Handguns.**

**Rhode Island** 18 Y/O [§ 11-47-33](#)

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Some states (and counties) require Firearms Identification Cards, and/or registration.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

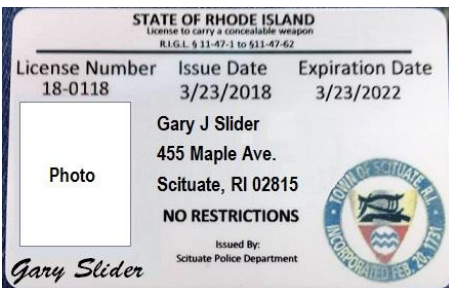

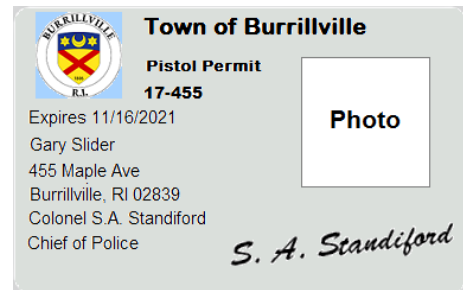

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
