¹Rhode Island – Texas only honors RI Permits issued by the Attorney General of Rhode Island.

Texas Honors Non-Resident Permits/Licenses From the States They Honor.

Notice: Texas will not appeal the U.S. District Court N. Texas Courts Decision stating those 18-20 years

old can carry in Texas with a permit. We will have to wait to see how Texas is going to handle issuing permits to those 18. If they issue their regular permit it may cost them reciprocity with some states. Time will tell.

**Reciprocity/How This State Honors Other States Permit/Licenses**

**Gov Code 411.173 Nonresident License.**

(b) The governor shall negotiate an agreement with any other state that provides for the issuance of a license to carry a handgun under which a license issued by the other state is recognized in this state or shall issue a proclamation that a license issued by the other state is recognized in this state if the attorney general of the State of Texas determines that a background check of each applicant for a license issued by that state is initiated by state or local authorities or an agent of the state or local authorities before the license is issued. For purposes of this subsection, "background check" means a search of the National Crime Information Center database and the Interstate Identification Index maintained by the Federal Bureau of Investigation.

(c) The attorney general of the State of Texas shall annually:

(1) submit a report to the governor, lieutenant governor, and speaker of the house of representatives listing the states the attorney general has determined qualify for recognition under Subsection (b); and

(2) review the statutes of states that the attorney general has determined do not qualify for recognition under Subsection (b) to determine the changes to their statutes that are necessary to qualify for recognition under that subsection.

(d) The attorney general of the State of Texas shall submit the report required by Subsection (c)(1) not later than January 1 of each calendar year.

**Permitless Carry In Texas**

**Notice:** There is confusion about the U.S. District Court N. Texas Courts Decision stating those 18-20 years old can carry in Texas with a permit they issue or honor. Some in authority are stating that this ruling only applies to 18 and older now able to obtain a TX Permit to Carry and not those carrying under Permitless Carry.

   (2) received notice to depart but failed to do so.

(b) For purposes of this section:
   (1) "Entry" means the intrusion of the entire body.

www.handgunlaw.us
(2) "Notice" means:

(A) oral or written communication by the owner or someone with apparent authority to act for the owner;

(C) A person may provide notice that firearms are prohibited on the property by posting a sign at each entrance to the property that:

(1) includes language that is identical to or substantially similar to the following: "Pursuant to Section 30.05, Penal Code (criminal trespass), a person may not enter this property with a firearm";

(2) includes the language described by Subdivision (1) in both English and Spanish;

(3) appears in contrasting colors with block letters at least one inch in height; and

(4) is displayed in a conspicuous manner clearly visible to the public. Acts.2021, 87th Leg.,R.S., Ch.1008

Note: Signs to ban those carrying under Permitless Carry don’t have to meet the same standards for those carrying with a Permit to Carry issued or honored by Texas. (30.06 30.07) Do be aware of the differences in required signage. Handgunlaw.us recommends you read all of Texas Penal Code 30.05

Note: To see 30.06 Ruling Letters and Violation Complaint Form on the TX AG website go Here. You can see an image of the 30.06 Sign bans Concealed Carry and 30.07 Sign bans the Open Carrying of firearms. (Signs have size and posting requirements in the statutes.)

Note: Texas also has a different sign that is posted in and about every establishment that derives 51% or more of its income from the sale or service of alcoholic beverages for on premises consumption. Carry in these establishments is against the law even with a Permit-License to Carry. The 51% sign must be posted by law on any establishment that derives more than 50% of their income from the sale of alcohol.

Weapons Warning Sign  (From Texas Alcoholic Beverage Commission)

The 51% sign, is to be posted on the premises of establishments where the possession of any concealed weapon is illegal. These are establishments that are licensed to sell alcoholic beverages for on-premises consumption whose alcohol sales constitutes more than half of gross receipts. These signs have 51% in large red letters superimposed over the warning and the warning notes that possession of a concealed weapon on the premises is a felony.

As a general rule, a true restaurant will have alcohol sales that are less than 50% of gross receipts and would be expected to post the first sign. However, if its alcohol sales are greater than 50% of gross receipts, then it would have to post the second.

- Handgun Warning Sign - Red 51% - English version (14 x 8.5 inches, red and black ink)
- Handgun Warning Sign - Red 51% - Spanish version (14 x 8.5 inches, red and black ink)

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going Here.
