**West Virginia will honor Resident and Non Resident Permit/Licenses from the states they honor.**
(Must be 21 years of age or older to carry concealed with a permit WV honors or under Permitless Carry.)

To see the WV AG’s listing of states that honor the West Virginia Provisional Permit (18-20 Y/O) click on State Reciprocity Info in Links Section above right.

**Note:** West Virginia is a Permitless Carry state and any resident or non-resident who is 21 Y/O or Active
Military 18 Y/O and can legally possess a firearm can carry it concealed in West Virginia without any type of permit/license. By statute West Virginia still doesn’t honor all other states permit/licenses. This is the reason why the listing of states West Virginia honors doesn’t state it honors all other states.

Reciprocity/How This State Honors Other States Permit/Licenses

§61-7-6A. Reciprocity and Recognition; Out-of-State Concealed Handgun Permits.

(a) Valid out-of-state permit or license to possess or carry a handgun is valid in this state for the carrying of a concealed handgun, if the following conditions are met:

(1) The permit or license holder is 21 years or older;
(2) The permit or license is in his or her immediate possession;
(3) The permit or license holder is not a resident of the State of West Virginia; and,
(4) The Attorney General has been notified by the Governor of the other state that the other state allows residents of West Virginia who are licensed in West Virginia to carry a concealed handgun to carry a concealed handgun in that state or the Attorney General has entered into a written reciprocity agreement with the appropriate official of the other state whereby the state agrees to honor West Virginia concealed handgun licenses in return for same treatment in this state.

(b) A holder of a valid permit or license from another state who is authorized to carry a concealed handgun in this state pursuant to provisions of this section is subject to the same laws and restrictions with respect to carrying a concealed handgun as a resident of West Virginia who is so permitted, and must carry the concealed handgun in compliance with the laws of this state.

(c) A license or permit from another state is not valid in this state if the holder is or becomes prohibited by law from possessing a firearm.

(d) The West Virginia Attorney General shall seek to obtain recognition of West Virginia concealed handgun licenses and enter into and execute reciprocity agreements on behalf of the State of West Virginia with states for the recognition of concealed handgun permits issued pursuant to this article.

(e) The West Virginia State Police shall maintain a registry of states with which the State of West Virginia has entered into reciprocity agreements or which recognize West Virginia concealed handgun licenses on the criminal information network and make the registry available to law-enforcement officers for investigative purposes.

(f) Every twelve months after the effective date of this section, the West Virginia Attorney General shall make written inquiry of the concealed handgun licensing or permitting authorities in each other state as to: (i) Whether a West Virginia resident may carry a concealed handgun in their state based upon having a valid West Virginia concealed handgun permit; and (ii) whether a West Virginia resident may carry a concealed handgun in that state based upon having a valid West Virginia concealed handgun permit, pursuant to the laws of that state or by the execution of a valid reciprocity agreement between the states.

(g) The West Virginia State Police shall make available to the public a "List of States" which have entered into reciprocity agreements with the State of West Virginia or that allow residents of West Virginia who are licensed in West Virginia to carry a concealed handgun to carry a concealed handgun in that state.

** The Kanawha County Court has Ruled: Definition of the term "securely stored:" "... as being on one's person and in a holster, purse, or bag so as long as the weapon remains attached to the individual, firmly adhered to one's body, and is not freely placed." You can read the ruling Here.

Note: Open Carry or concealed without a permit can be prohibited by a city on their property but must be posted.
Note: The West Virginia State Police Barracks and the DMV Regional Offices that I have been to have signs posted stating “No Firearms.” WV preemption (See Preemption Section Below) only covers municipalities. St. Police and DMV Offices are not mentioned in WV Law on being off limits. I would not want to be the test case. A holder of a license to carry a concealed deadly weapon who violates this subsection may, in addition to any applicable criminal charges, be subject to discipline the state institution of higher education considers appropriate.

(h) It is the intent of the Legislature to establish, by this act, conditions under which persons with a current and valid license to carry a concealed deadly weapon may carry a concealed pistol or revolver at a state institution of higher education. When a person exercises the rights granted by this section, neither the carrying of a concealed pistol or revolver, nor any other conduct of person involving a concealed pistol or revolver, shall be construed to be an act of the state institution of higher education nor of the state, and no liability for any such actions of such person shall be imputed to the state institution of higher education, its officers, agents, or employees, unless the state institution of higher education has expressly requested or directed such person to carry a concealed pistol or revolver: Provided, That the failure to provide adequate security measures at any building or location at a state institution of higher education where the carrying of a concealed pistol or revolver is not permitted shall not give rise to a cause action or any liability whatsoever related to or arising from the carrying of a concealed pistol or revolver by any person.

(i) For the purposes of this section, a "license to carry a concealed deadly weapon" refers to a current and valid license, lawfully issued by the State of West Virginia pursuant to §61-7-4 or §61-7-4a of this code, or a current and valid license or permit recognized under §61-7-6a of this code.

Do “No Gun Signs” Have the Force of Law?

“NO”

“No Firearm” signs in West Virginia have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit-License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

Must Inform Officer Immediately on Contact By Law?

“NO”

West Virginia has no statute or Administrative Rule stating you must inform an officer you are carrying on any official contact. You must tell an officer if ask. Lying to a Police Officer is an offense in itself.

**Minimum Age for Possessing and Transporting of Handguns.**

**West Virginia** 18 Y/O §61-7-8

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
